Hello, we appreciate your response. We're more than glad to help you out and take a deeper look into this matter. Let's jump over your DM for more information!

StockX @stockx · Jun 9

Hey there, we apologize for the confusion. However, opening a case would be easier for our specialty team to review.

.hypedsole @hypedsole2 · Jun 9

I'm receiving the same response from the case. They said they can't help me. This is what everyone talks about when they talk about StockX customer service. Horrible

you guys sold me these defects for \$800 and this was your response! #customerexperience #gotitonstockx

Thank you for your patience as we reviewed your photos. My name is Ben and I'm a product specialist at StockX. I'd be happy to provide more information for you.

After reviewing your photos with our new authenticators, we can confirm that this shoe is acceptable for our deadstock conditions and the manufacturer's production. The shoe will be returned on a large scale and will feature natural manufacturer differences and variances such as the curvature of the toe box stitching. If they were returned to us for a second review, the return would likely be rejected. We sincerely apologize.

Since StockX is a live marketplace, we recommend reselling the

Information: we already have a resolution for this incident, however UPS claims are finalized only with the company who created the shipping label. You will need to contact the company or person that sent the package for final resolution.

If they have any questions about the claim, please ask them to contact us directly. -Elmer

So StockX was paid out the claim, but they wont refund me?

I cannot guarantee that they won't refund you, Vicent. You need to be in contact with them to further assist you. - Alejandra.
